

Municipality of South Bruce

Bridge 0016 Reconstruction

Contract No. 300057951.0000

ELECTRONICALLY SUBMITTED BIDS, on forms acquired from the R.J. Burnside & Associates Limited Bids & Tenders site

<https://rjburnside.bidsandtenders.ca/Module/Tenders/en>

will be received by the **Municipality of South Bruce** until:

11:00:00 a.m., local time Thursday, March 6, 2025.

The Work includes the replacement of an existing 25.6 m (+/-) single span steel pony truss bridge structure with a new prefabricated truss superstructure on existing substructure, which includes the following:

- Installation of erosion control measures;
- Management of the watercourse during construction as required;
- Existing superstructure removal and disposal;
- Excavation to facilitate substructure modifications;
- Isolated concrete removals, repairs, and modifications to the existing concrete substructure;
- Supply and installation of a new prefabricated truss superstructure;
- Asphalt paving and associated granular road works;
- Installation of steel beam guide rail; and
- Restoration of the site upon completion of the work.

Bid packages (tender document and drawings) are available digitally from R.J. Burnside & Associates Limited via Bids and Tenders, from the website above.

All Bidders shall have a Bidding System Vendor account and be registered as a Plan Taker for this Bid opportunity through Bids&Tenders, which will enable the Bidder to download the Bid Call Document, to receive Addenda email notifications and download all documents without the watermark "preview" on them.

In addition to other provisions in the Bid Documents, the lowest or any Bid will not necessarily be accepted.
